

## Sibiu Adults Mental Health Center

Was founded in 1975. Currently, C.S.M. Adults, headquarters is in a recently renovated building, part of the Psychiatric Hospital "Dr. Gheorghe Preda" Sibiu.

### Our mission:

- ❖ Improving quality of life both for beneficiaries and for their families.
- ❖ Reducing stigma and reintegrating the beneficiary whether it is in a care facility (hospital, day care center etc.) or in the community.

## Sibiu Children Mental Health Center

Contributes essentially to the psychosocial rehabilitation of children (0-18 years) with mental health disorders.

We offer psychological and social consultations, Montessori therapy, speech therapy, occupational therapy etc.

### Our mission:

- ❖ Our team provides optimum, specialized and individualized rehabilitation programmes for children with special needs.

## Our beliefs

to care      to treat  
to be kind      to respect      to help

to be selfconfident      to be independent

to learn      to implement

to hope      to smile

to change
